

Obtaining a MEIS (Michigan Education Information System) Account

After you have obtained vendor registration with the Department of Management and Budget, you must now secure a MEIS account. The MEIS is the portal through which you can access a number of reporting systems.

To access MEIS, go to: www.michigan.gov/meis There you will find instructions on obtaining an account through the user management system.

If you encounter difficulty in obtaining this account, please contact the Client Service Center at 1-517-335-0505 or by email at help-desk@michigan.gov.
